Central India's Largest Agri Summit

A Step Towards New Revolution

Agrovision, a 4-day event held every year in Nagpur, provides a platform for knowledge exchange movement which is well attended by farmers from all across India. Started 12 years ago under the leadership of Chief Patron **Shri Nitin Gadkari**, Hon'ble Union Minister for Road Transport & Highway, Agrovision is growing both in magnitude and stature with each successive edition. This movement called Agrovision was initiated with a goal of educating, encouraging and empowering farmers, to adopt new farm technologies, introduce them to allied agri business to increase their income, and ensure them a decent livelihood support. Today Agrovision has become a most awaited agri festival in central India attended by agri community.

Dr. B. S. Dwivedi, Dr. P. G. Patil, Shri Shivkumar Rao,
Capt. Dr. L.B. Kalantri, Dr. Sujata Saxena

Agrovision 2022 Theme

The challenge that mankind faces is figuring out how to feed an expanding population and provide its energy demands without depleting the planet's biological and natural resources.

Sustainable food and energy production will lead to agriculture becoming a new global mega trend in the next decades.

New agricultural potential is rapidly developing in this regard. Future farming - feed, food, and fuel - integrated technology via research, this year's Agrovision topic, aims to answer this new Challenge.

National Exhibition

One of the major attractions of Agrovision is the Mega National Exhibition, which brings together a wide array of participants from corporate, central and state government departments, public sector undertakings, NGOs, R&D organisations, agri-universities, educational and financial institutes and farmers. The expo provides a platform for a wide range of agro products to be showcased, with a dedicated pavilion on animal husbandry, MSMEs, start-ups, IT, and so on. The large-scale engagement of all stakeholders encourages information sharing and provides chances for demonstrations among participants.

The event is usually attended by about 400 organisations and lakhs of farmers from Vidarbha, Chhattisgarh, MP, Telangana, AP, as well as from distant regions like Orissa, Haryana, Punjab, Rajasthan, UP, and Bihar, making it a national event. A great number of farmers are anticipated to attend the Agrovision, which will be held from November 25th to 28th, 2022 in Nagpur, Maharashtra. Needless to say, the expo will provide several commercial chances.

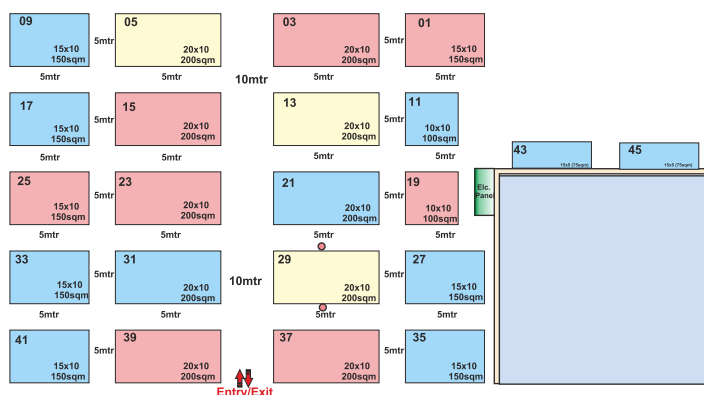

Exhibitor Profile

Agri Biotechnology | Seeds | Agricultural Machinery & Equipment | Fertilizers & Pesticides | Irrigation & Water Technologies | Tissue Culture | Watershed Management | Nutrients | Horticulture | Floriculture | Aquiculture | Post Harvest Technology | Greenhouse / Netshed | Gardening Tools | Solar Products (Pumps/Lighting/Panels) | Dairy Equipment Manufacturers | Veterinary Medicines | Medicinal Plant Farming | Bee Farming | Sericulture | Crop Protector | Agro Processed Foods / Oils / Beverages / Value Additions | Grading & Sorting Machinery | Packaging Technology & Services | Bar Code/Ink Coding Technology | Digital Temperature Controller & Data Logger | Agricultural Products Traders/Whole seller | Electricals | Agriculture Drones | Elevator / Conveyors / Rotary Separators | Animal Cart | Animal Operated Implements | All-Terrain Vehicles | Hand Operated Implements | Food Processing

Technology & Services | Plastic Crates & Bins | Plasticulture | Precision Farming Products | Agritech Startups | Vertical Farming | Seed Drill | Sowing & Planting Equipment | Tractors Trailers | Threshers | Vegetable & Root Crop Harvesting Weeders | Agri Distributors & Stockiest | Storage Equipment Manufacturers & Suppliers | Agri Marketing Boards | Logistics and Cold Chain Systems | Warehouses & Cold Storage | Wasteland Development | Bio Fuels / Bio Energy | Organic Farming | Contract Farming | Integrated Farming | Non-Conventional / Renewable Energy | Agro Tourism | Retail & Chain Groups | IT & Agri Insurance | Agri Finance | Farm Services | Turnkey Projects & Knowledge Transfer | NGOs | Marketing & Export/Import Services | Agri Business / Agri Trading | Livestock & Dairy Farming | Poultry | Govt. Departments | PSUs | R&D Institutes / Agri Universities | Corporate | Central & State Govt. etc. & many more.

Free workshops for farmers

Agrovision workshops have proven popular in the farming community since its first edition. During the event days, thousands of farmers attend the sessions. Experts from major Agri Universities, ICAR Labs, Research Institutes, senior officers from various government departments, and the commercial sector are invited to educate farmers on various agricultural challenges, new technology, and new farming methods.

Tentative workshop schedule in Agrovision-2022

- Turmeric and Ginger cultivation and Processing
- Vegetable Seed Production
- Bamboo Production and Utilisation
- Safflower and Linseed cultivation and value addition
 - Fruit Plants Nursery Production
 - Banana and Orange-Export quality production
 - Sericulture, Goat Farming, Poultry, Bee-keeping
 - Fisheries-Opportunities for Vidarbha

Conference

A One-day Conference is held during Agrovision every year on current issues of importance related to agriculture. The basic objective of the conference is to bring together policy makers, industry, agripreneurs and experts from all over India to deliberate on the key issues leading to the formulation of recommendations. This provides an insight over the entire process which is beneficial for the businessmen, agri professionals/entrepreneurs.

These conferences also assist farmers, particularly those who, in addition to farming, have allied businesses such as dairy, processing, and fishing, to grasp the perspectives of the panel of experts and use them to develop their enterprises.

Tentative Conferences in Agrovision-2022

- Dairy Development in Vidarbha
- Scope of Inland Fisheries in Vidarbha
- Supply Chain Management of Agri Products
