

13th AGROVISION 2022

Reshimbagh Ground, Nagpur

Standard Operating Procedure/ Preventive measures

Measures to be followed by Exhibitors

- a. AarogyaSetu Mobile App is recommended for all the persons manning the stall and is mandatory for the ones with a smart-phone.

- b. All the stalls should have hand sanitizers. They should ensure that a sufficient gap (of two yards) is maintained at all time between the people manning the stall. All the personnel at the stall should use Face Mask, till COVID-19 remains a health hazard.

- c. Every stall should have a covered dustbin.

- d. To maintain social distancing the number of individuals that can be permitted in any given stall / booth at any particular time may be moderated such that the latest MHA / MoHFW guidelines on social distancing are complied-with.

- e. Exhibitors should encourage Digital Payment Options at Food & Beverage (F&B) outlets.

Measures to be followed by Business Visitors/Delegates

- a. AarogyaSetu Mobile App is recommended for all the visitors and mandatory for the ones with a smart-phone.

- b. The visitors should not enter the venue ground if their temperature is not normal.

- c. They should wear face mask at all the time.

- d. The visitors must ensure that they maintain a sufficient distance (of about two yards) from other persons at all the time.

- e. In case a person falls sick, he must report to the First Aid desk.

- f. They should pre-register themselves.

- g. They should adhere to all the guidelines prescribed by the Trade Fair organizer.
